

## Chocolate Chip Cookies

1 jar chocolate chip cookie mix  
4 tablespoons butter, softened  
1 egg  
1 teaspoon vanilla

1. Preheat oven to 350°F.
2. Dump contents of jar in a small bowl and stir to mix and distribute the ingredients.
3. In a separate larger bowl, beat the butter, egg, and vanilla extract together until well mixed and creamy. Add in the dry cookie mixture and mix until combined.
4. Drop by tablespoons onto ungreased cookie sheet. Refrigerate for 30 minutes. Bake for about 12 minutes or until golden brown. Makes about 10 cookies.
